I, Kenji Tanaka, a co-inventor named in the application for letters patent of the United States for an invention entitled PROTECTIVE COAT AND METHOD FOR MANUFACTURING THEREOF, Application No. 10/813,538, filed March 30, 2004, declare as follows:

I am also a co-inventor of the invention described in US Patent Appl. No. 2005/0084708, Application No. 10/755,931 entitled ORGANIC EL DISPLAY PANEL, filed on January 13, 2004.

The portion of the invention claimed in the present Application No. 10/813,538 disclosed but not claimed in Application No. 10/755,931 was derived by me, Kenji Tanaka and by Daisaku Haoto and not by any other person.

I further declare that all statements made herein of our own knowledge are true and all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

Date: March 9, 2007

Kenji Tanaka
